

Organic 28DE Rice Syrup Solids

Product Description:

Organic 28DE Rice Syrup Solids are produced from Non-GMO Rice, which has the added advantage of being naturally hypo-allergenic. Spray dried solids are water-soluble and contribute only a minimal amount of fat with good mouthfeel. In general use, the product serves as an effective carrier for sweeteners, gums, spices and seasonings; as well as an effective bulking agent and promotes instant solubility.

Certifications: NOP Organic Certified, Kosher, Non-GMO
